WORK EXPERIENCE

Senior Data Engineer NAB Innovation Centre India

09/2024 - Present

Gurgaon, Haryana India

Achievements/Tasks

- Oversee the design, development, and maintenance of **Bronze** and **Silver data layers** within the **Medallion Architecture**, ensuring efficient data ingestion, transformation, and curation.
- Engineer robust **data pipelines** to ingest and process high-volume **financial datasets** from multiple heterogeneous sources including **AWS S3, HVR, and Kafka**, ensuring optimal performance and reliability.
- Implement and optimize **ETL workflows** to transform raw data in the **Bronze Layer** into refined, analytics-ready datasets in the **Silver Layer**, aligned with evolving **business and regulatory requirements**.
- Collaborate cross-functionally with **data analysts, business stakeholders, and data modler teams** to define data quality, lineage, and governance standards across the platform.
- Utilize modern **data engineering frameworks** and **cloud-native tools** to enhance scalability, maintainability, and automation of data processes.

Data Engineer COMVIVA Technology Pvt. Ltd.

07/2021 - 09/2024

Gurgaon, Haryana

Achievements/Tasks

- Developed and maintained data pipelines to ingest and process large Telco datasets using **NiFi, PySpark, Airflow**, and **Spark**.
- Designed and implemented **ETL** processes for transforming data and loading it into data warehousing such as **HDFS, Hive, S3**.
- Improved data quality by identifying and resolving data quality issues using **Python** and **SQL** by creating multiple automation scripts.
- Worked on **Docker** to move stand-alone platform such as **NiFi, Airflow, Mlflow** and **Superset** to **Docker**.
- created a pipeline to catch the list of customer missed for auto-debit in last 30 minutes using **PySpark** and **Airflow**.
- Proficient in secure file transfer protocol (SFTP) for seamless data handling.
- For Dashboard visualization and **Reporting** worked on **Apache Superset** and **Metabase**.

EDUCATION

NIT Trichy Master of Computer Applications

07/2018 - 07/2021

7.7/10

BCA LNMCBM Muzaffarpur

07/2015 - 07/2018

74.34%

TECHNICAL SKILLS

ACHIVEMENTS

ACE Card (Appreciation for Commitment and Effort) (08/2022 - 12/2022)

Awarded for exemplary dedication, unwavering commitment, and exceptional effort in meeting and exceeding expectations.

"Most Impactfull Performance of the Year" YABX Award (2022 - 2023)

Recognized for expertly juggling numerous markets simultaneously, showcasing exceptional multitasking skills.

CERTIFICATES

AWS Cloud Practitioner (11/2024 - 11/2027)
